Supplement Narrative <p>On September 22, 2012 at approximately 0115 hours, I was dispatched to the University of Tennessee Emergency Room in response to a request for assistance from the Knoxville Police Department.</p> <p>Upon arrival, I was met by KPD Investigator P. Tipton, who advised that a male subject had been brought into the emergency room by four unknown male subjects. The unresponsive male appeared to be extremely intoxicated and showed signs of physical and possible sexual assault. Investigator Tipton stated that the male subject was in critical condition.</p> <p>I contacted dispatch and requested that the on-call investigator be notified.</p> <p>Investigator Tipton had gathered information from a Mr. [REDACTED] in the UTER lobby. Mr. [REDACTED] indicated to Investigator Tipton that the male subject, identified as Mr. [REDACTED], had been transported to the hospital from 1820 Fraternity Park Drive. Investigator Tipton stated that Mr. [REDACTED] was not forthcoming with information, but that he eventually admitted to her that Mr. [REDACTED]'s condition was caused by "butt-chugging". According to Investigator Tipton, Mr. [REDACTED] described "butt-chugging" as inserting a tube into the anus and then funneling an alcoholic beverage rectally. Investigator Tipton stated that she was told that Mr. [REDACTED] had been "butt-chugging" wine at 1820 Fraternity Park Drive.</p> <p>I contacted Sgt. P. Whaley and requested that officers be sent to 1820 Fraternity Park Drive with KPD to further investigate.</p> <p>KPD's Forensic Unit arrived at the hospital to collect evidence and take pictures, and was then sent to 1820 Fraternity Park Drive to do the same.</p> <p>Investigator Tipton was given Sgt. A. O'Neal's contact information to allow for collaboration during this investigation.</p> <p>Sgt. A. O'Neal, Sgt. P. Whaley, Officer J. Patterson, Officer T. Johnson, Officer C. McCann and Cpl. E. Zaremski all responded to 1820 Fraternity Park Drive to further investigate this incident. A misdemeanor citation and multiple city ordinance citations were issued as a result of this investigation. For further information, see Officer J. Patterson's supplement to this report.</p> <p>I contacted the UTER to conduct a follow-up on Mr. [REDACTED] at 0600 hours. Hospital staff advised that Mr. [REDACTED]'s condition had not changed and that he had been transferred to the Critical Care Unit.</p>

Supplement Narrative <p>On Saturday 09/22/2012 at approximately 01:49 hours, I responded to 1820 Fraternity Park Drive to assist Sergeant P. Whaley, Corporal T. Johnson, and Officer C. McCann with an investigation into an alcohol incident which resulted in an individual being hospitalized. Upon stepping onto the north-facing landing area of the exterior of the building, I observed beer cans, alcohol paraphernalia, and a plastic bottle that appeared to be from the interior of a wine box.</p> <p>Officers entered the building and made contact with multiple individuals who appeared to have been consuming alcohol. I issued City of Knoxville Ordinance Citations to the following individuals: Mr. [REDACTED] (Citation number A454704), Mr. [REDACTED] (Citation number A454703), Mr. [REDACTED] (Citation number A454701), Mr. [REDACTED] (Citation number A454702), and Mr. [REDACTED] (Citation number A454707).</p> <p>While informing Mr. [REDACTED] that he was being issued a City of Knoxville Ordinance Citation for Underage Consumption of Alcohol, he would not sign the citation. I informed Mr. [REDACTED] that if he did not sign the citation, I would place him under arrest. Mr. [REDACTED] did not heed my warning. I then told Mr. [REDACTED] to turn away from Corporal Johnson, Officer McCann, and me. When Officers began to place handcuffs onto his wrists, Mr. [REDACTED] pulled away from us and straightened his arms to prevent them from being pulled behind his back. Corporal Johnson, Officer McCann and I were able to pull Mr. [REDACTED] hands behind his back and apply the handcuffs. Mr. [REDACTED] later calmed himself and stated that he wished to sign the original citation. I released Mr. [REDACTED] with the original Underage Consumption citation, number A454705, and issued a State of Tennessee Misdemeanor Citation, number A454706, for Disorderly Conduct due to the fact that his actions interfered with our investigation.</p> <p>I observed Mr. [REDACTED] with red and watery eyes and smelled alcohol on his person. Mr. [REDACTED] is under twenty-one years of age. Mr. [REDACTED] stated that he had not been drinking, but I found otherwise upon performing the Horizontal Gaze Nystagmus test. Mr. [REDACTED] then stated that he had been drinking but lied to me because he is being supervised by a Probation Officer in Memphis, TN. Mr. [REDACTED] then had a panic attack, and I did not issue him a citation. Rural Metro and Knoxville Fire Department personnel arrived on scene to evaluate Mr. [REDACTED]; however, he was not transported to a medical facility.</p>

<p>Supplement Narrative</p> <p>On 9/22/12, I was riding along with Sgt. Phil Whaley during his shift. At about 0100 hours, Sgt. Whaley received a call of a subject which had been admitted to the UT ER with an extremely high blood alcohol level and a possibility of having been sodomized or sexually assaulted. After arriving, we learned that the victim was a member of the Pi Kappa Alpha fraternity and that he had been dropped off at the hospital by two other subjects from the same fraternity. One of the nurses gave us a description of one of the subjects having brown hair, wearing a Hawaiian shirt and a dark cast on his left arm. Sgt. Whaley had Cpl. Jessica Nichols stay at the hospital to find more information about the victim, and he and I went to the Pi Kappa Alpha house, located at 1820 Fraternity Park Drive, to see if we could locate the subject who dropped off the victim.</p> <p>Upon our arrival, Sgt. Whaley and I walked through the house and found several subjects passed out in there rooms and bags from wine boxes, some empty and some partially empty, strewn across the halls and rooms. Sgt. Whaley had one subject contact the chapter president at that time as he was not at that location. While awaiting the arrival of the chapter president, several other UTPD officers, KPD officers, EMS and KFD first responders arrived at the house.</p> <p>After about fifteen minutes , the chapter president arrived on scene. He appeared to be intoxicated as well but stated that he had no idea of what was going on. Sgt. Whaley spoke with the president briefly at that time and then asked me to keep an eye on the president while he was handling some other business at the scene. While I was watching the president, I noticed that he was on the phone several times, but I did not hear any of his conversations. Shortly after, Sgt. Whaley came back and told the president of the house to put his phone away. Sgt. Whaley stated that he had word that the president was contacting the members of the fraternity to stay away from the house. The president did so reluctantly, but kept asking why he could not use the phone and kept trying to walk away several times. I then instructed him to just do as he was told for now or he could be arrested for disorderly conduct. The president made the comment that did not agree with the order for him not to use his phone. I stated to him that it was not my call, but that he again needed to comply with the Sgt.'s request or he could possibly be arrested for disorderly conduct. He begrudgingly complied.</p> <p>At About 0330 hours, Sgt. Whaley had CSO Belt come and pick me up, and I left the scene.</p>
